hi,

Could you please look at claim 1 and see if you have seen anything like this before. During my search I found reference US 6,650,306 which was issued by you and thought maybe you can help me with a search.

thank you,

shefali

claim 1:

1. (original) A method for displaying an image only to an authorized user,

comprising:

generating a data image;

generating a mask image, wherein the mask image is a negation of the

data image;

selecting the data image or the mask image according to a select signal;

and

sequentially displaying the selected images on a display.
